

A large, stylized graphic of the word "Ours" in a serif font. Each letter is filled with a different image: the 'O' shows a close-up of a person's face; the first 'u' shows a person's legs and feet; the 'r' shows a person's face and hands; the second 'u' shows a person's face and hands; and the 's' shows a person's face and hands. The images are arranged to fit the shape of the letters, creating a collage effect.
